

Term Dates

The last day of term is Friday 23rd October.
We return on Monday 2nd November.

Staff News

We would like to welcome all new families that have joined us recently. We hope that you have settled in well and we all look forward to working with yourselves and your children. If you have any questions or queries then feel free to speak to a member of staff who will do their best to help.

Christmas Fayre– 12th December: 1000-1200

We will be holding our annual Christmas fayre on Saturday the 12th December. There will be stalls and games for all to participate in. If you are able to help by donating any prizes for our raffle then we would be very grateful. Also if you know of any companies/ people that would be willing to donate prizes to the raffle then please speak to a member of staff. We look forward to seeing you all there.

Projects

Next term we will be having a six week trial of yoga for the children. The lessons will be taking place at 10am on Tuesdays. If you would like more information then please visit Michelle. Thank you.

Notice to parents.

BOP can receive additional funding for your child from the Early Years Pupil Premium. You are entitled to this funding if you receive benefits such as: income support, income based jobseekers allowance, child tax credit, working tax credit and more. This funding will not affect your benefits and allows BOP to receive funding to provide more equipment and resources to use for your child. For more information please see Michelle in the office.

BOP Clothing

We ask if all clothing (including uniforms) could please be clearly named as to not cause confusion or be sent home with the wrong child please.

As the weather is now changing and it is getting colder and wetter, we ask that you make sure your child is suitably dressed. We like to take the children outside as much as possible and we find this difficult if they do not have suitable clothing or shoes.

Borrowed Items

If your child goes home in BOP spare clothes, please can we have it returned as quickly as possible.
